

It's that time of year to file your income taxes. Please utilize our website for updated forms and tax updates.

You may access your **2023 Personal Income Tax Return Organizer** on our website's Tax Center page. You have the option of using the auto-fill feature on the organizer or printing it and handwriting in your information. As in the past, your personal tax return will be filed electronically.

Organizers received after March 22, 2024, will be automatically extended, and charged an additional filing fee of \$75. Tax returns that must be reprocessed by EWH due to forgotten/late forms, missing information, etc., an additional reprocessing fee will apply.
